About San Antonio...

Airport
Located in north central San Antonio, the San Antonio International Airport (SAT) is only 8.5 miles from the downtown business district - about a 15-minute drive - which is unusual for major metropolitan areas.

Public Transportation
Getting around San Antonio and downtown is a breeze with our wide selection of transportation options, including the VIVA by VIA service, River Taxi, Cabs, Uber, and Lyft.

Driving
FROM IH-35 SOUTH
Take US-90 East to New Braunfels Street exit, north on New Braunfels to Commerce Street, west on Commerce Street to Cherry Street, south on Cherry Street and into lots.

COMING FROM IH-10 EAST
Use Hackberry Street exit, north on Hackberry to Cesar Chavez Blvd., west on Cesar Chavez Blvd. to Cherry Street, North on Cherry Street and into lots.

COMING FROM IH-10 WEST
Use IH-35 north to New Braunfels Street exit, south on New Braunfels to Commerce Street, West on Commerce Street to Cherry Street, south on Cherry Street and into lots.

COMING FROM US 281 NORTH
Use Cesar Chavez Blvd. exit, east on Cesar Chavez Blvd. to Cherry Street, north on Cherry Street and into lots.

Hotels
With over 14,000 hotel rooms in downtown San Antonio there are endless lodging options within walking distance of the Alamodome. A Visit San Antonio representative can assist with all travel needs. See VisitSanAntonio.com for more information.

Recreation/Attractions
Home to the legendary Alamo and world-famous River Walk, San Antonio offers a wide range of exciting and unique activities. San Antonio has five theme parks, working ranches, rivers to float, and 300 days of sunshine perfect for golfing one of our 50 courses. In San Antonio there is something for everyone.

Dining
While San Antonio is famous for Tex-Mex, you’ll also find traditional Mexican cuisine along with German, French, English and Italian eateries. The venues are just as varied as the types of cuisine they serve. From white tablecloth to savory food trucks to genuine steakhouses and BBQ joints, there’s always something new and different to try.

Shopping
According to Forbes.com, San Antonio is one of America’s top ten best cities to shop. With several malls and local shops displaying handmade items, you can take home both the culture of San Antonio and the latest fashion trends.

Hospitals
Multiple medical facilities are available within two miles of the Alamodome (Baptist Medical Center, The Children’s Hospital of San Antonio), as well as a short six mile drive to a major medical complex of several hospitals with nationally recognized physicians and research facilities.
For more information on hotels, restaurants, events and sightseeing tours, come by the Official Visitor Information Center at 317 Alamo Plaza or call toll free 800-447-3372. Located directly across from the Alamo. OPEN SEVEN DAYS A WEEK (CLOSED: New Year's Day, April 24th – Battle of Flowers Parade, September 30th, Thanksgiving Day and Christmas Day).

Hospitality Spaces

Hall of Fame Club
Located on the North end of the Club Level, the Hall of Fame Club offers over 4,000 square feet with spectacular views of the HEB Plaza and downtown San Antonio, two built in bars, and large flat screen TV’s to enjoy the event from a private location.

South Club Eyebrow
Located on the South end of the Club Level, over 6,000 square feet of flexible and completely customizable space without any built in fixtures is the perfect place to make the Alamodome your own.
Top of the Dome Club
Located on the North end of the Upper Level, the Top of the Dome Club can function as its own private 3,500+ square foot space, or use the connecting staircase to the Hall of Fame Club to double the size of your party.

Multi-purpose Room
This 23,000 square foot multi-purpose space is located on the North end of the field level. This brand new area features a separate loading dock, offering convenient access to Montana St.
Parking

At the Alamodome we understand that parking is an important concern for our event organizers and attendees, especially in a downtown setting. Our dedicated parking team has developed guidelines and procedures and will work with your Event Coordinator to plan and meet your transportation needs.

Patron Drop-Off/Pick-Up Area

The designated Patron Drop-Off/Pick-Up Area is at the north end of Lot B. This lot is accessible from S. Cherry St.

Taxis & Ride Shares

The designated taxi and ride share pick-up and drop-off location is the Convention Center Lot on the West side of I-37/281. The Alamodome is easily accessible via the pedestrian bridge connecting the parking lot to the HEB North Plaza.

Bus Parking

Bus parking is available in the North section of Lot B. Busses enter and exit through the far North area of the parking lot. This exit remains blocked until the busses are ready to exit Lot B.

Overnight Parking

Overnight parking is not permitted in any of the Alamodome parking lots. Production trucks/trailers are authorized to park overnight (dependant upon the individual event), but the tractors are not permitted to park overnight.

Police

The San Antonio Police Department assists the Alamodome with traffic direction during many events. Because each event at the Alamodome varies in size, the amount of necessary man power also varies. The SAPD implements standard staffing for directing traffic during events. This
procedure is also dependent upon which parking lots and areas the Alamodome Parking Staff opens for the event.

Load In/Load Out

Loading Dock

- The loading dock is located at the south end of the Alamodome, in Parking Lot A, and is accessible via the Northbound I-37/U.S. Route 281 Frontage Road. The loading dock features 4,200 square feet of space including eight truck bays with two direct access tunnels to the stadium. Loading Dock bays measure 17’9” wide and 10’ high. Bays are 82’ deep.

VIA Bollards & HEB Plaza Vehicle Access

- Vehicle access to the HEB Plaza on the North side of the Alamodome can be obtained with prior approval from your Event Coordinator. Access to the HEB Plaza will be limited to vehicles being used in the setup, display, or break down of events taking place on the Plaza. All vehicles entering the North or South Plazas must maintain a maximum weight of 250 lbs. per sq. ft. or less.
- Access to the HEB Plaza via Sunset Station is blocked by VIA Transportation owned bollards. If you must enter through Sunset Station, please provide your Event Coordinator with a schedule of the times you will require the bollards to be down at least a week in advance of your event. Any vehicle with a gross weight of 40k lbs. must obtain approval from VIA to enter through Sunset Station.

Event Ingress/Egress Days

- Persons requesting Loading Dock access to load and/or drop off small items, such as documents or easily manageable single packages, (excluding commercial carriers such as UPS, FedEx and tractor-trailers) will be directed to park in Lot A. Such persons will be allowed access via the pedestrian walkway to the Southwest Tunnel entrance.
- Persons requesting Loading Dock access to load and/or drop off large or numerous items, (excluding commercial shippers such as UPS, FedEx and tractor-trailers) will be permitted to park in the designated 15-Minute Loading Zone parking spaces, if available. If the 15-Minute Loading Zone parking spaces are full, persons qualifying for Loading Zone parking will need to wait until a space becomes available. Such persons will be allowed access to the building through the Southeast Tunnel entrance.
- Alamodome tenants may park in the 15-Minute Loading Zone parking spaces for loading and unloading purposes at any time, provided space is available.
• Commercial carriers will be granted access to the appropriate loading dock bay as designated by the Security Officer staffing the Loading Dock gate.

• Additionally, two (2) Loading Dock Parking Passes will be issued for each event. Persons displaying these passes will be permitted to park in the designated parking area. Additional passes may be issued by Alamodome Administration, with notification to the Security Department.

Event Days

• Loading Dock access on event days is restricted. Only commercial carriers staged at a Loading Dock bay and those persons possessing a Loading Dock Parking Pass may be granted access into the Loading Dock area. Parking for such vehicles will be as designated by the Security Officer staffing the Loading Dock gate.

• Licensee staff needing to load and/or unload in the Loading Dock area before the event are permitted to do so up to 2 hours prior to the start of the event. Licensee staff needing to load and/or unload after the end of the event may begin to do so 1 hour after the end of the event. There is no parking permitted in the loading dock area for these vehicles.
PLANNING & SERVICES
Booking Services Division

Event Booking

Questions regarding the availability of dates and booking procedures should be directed to the Booking Coordinator, Michael Flores, at Michael.Flores@SanAntonio.gov.

Follow-Up Evaluation

Following your event, the Booking Services division will forward an evaluation of our facility and our staff. Your success and satisfaction is our top priority, and we welcome the opportunity to meet and exceed your expectations.

Event Services Division

Event Coordination

Upon the completion of a signed contract, the Alamodome will assign an Event Coordinator to your account. This individual will become your primary contact throughout the event planning and execution process. The Event Coordinator is responsible for the coordination of the event requirements with the departments, technicians, and contractors of the Alamodome. The Event Coordinator is also your day-of event contact, and will oversee all facility operations under the supervision of upper management.

Other functions of the Event Services Division

- Staffing and cost estimates
- Floor plan and coordination and approval with the San Antonio Fire Department
- Shipping and receiving assistance
- Production and technical specifications
- Preliminary invoice

Production Meetings

The Event Coordinator will conduct a production meeting prior to your load-in and arrival to review any specifications and arrangements regarding the event. All facility divisions and contractors will participate to ensure all aspects of the event have been thoroughly reviewed. Prior to the start of the event, a pre-event briefing will be held with all department supervisors. Your participation in both of these sessions is encouraged.
Box Office & Ticketing

Ticketmaster

The Alamodome is a Ticketmaster exclusive facility. The selling of tickets through any other ticket agency, or by any other means outside of Ticketmaster is prohibited. Additionally, tickets may not be sold on a consignment basis without the approval of the Box Office Manager.

You should contact the Box Office Manager to discuss ticket sales on Ticketmaster. Please note that typically, once all information is received to build an event on Ticketmaster, the creation process will take up to four (4) business days to complete. Please keep this in mind when planning for your event ticket sales.

Once an event is on sale, any changes made to the event such as added discounts, pricing changes, artist changes, ticket header changes, etc., will take approximately three (3) business days to complete. Again, please keep this in mind when planning your event.

Box Office Hours

The Southwest Box office is open Monday through Friday from 10am - 5pm and as necessary for events. On event days, the box office typically opens at least two hours before the event. Hours may vary based on projected ticket sales and/or promoter requests.

Box Office Staffing

The Alamodome will provide staffing during your event. The number of ticket sellers will be determined by the Box Office Manager and is based on the size of the event, historical data, and the public interest in the event during the days leading up to the event itself.

Settlement

Event settlement is conducted by the City of San Antonio Fiscal division. Please contact your Event Coordinator to determine the timing of your event settlement.

Group Sales

The Alamodome does not offer group sale tickets. Coordinating group sales is a responsibility of the promoter. Group Sales for the Alamodome are typically outsourced. For more information or to learn about our preferred group sales vendor, please contact your Event Coordinator.
Building Policies

Open & Concealed Carry Policy

The Alamodome complies with federal and state laws and city ordinances regarding the lawful carrying and possessing of weapons within Department facilities. (“LTC” – License to Carry)

Illegal weapons are prohibited at all times. Lawfully carried weapons (concealed or openly carried) are permitted under most circumstances in areas accessible to the public.

As a contracting client paying for the private use of facility and event related space, you may request your event be considered “all Weapons-Free” (banning all weapons) or allow licensed handgun permit holders to enter your event.

If requesting an “All Weapons-Free” event, The Alamodome will provide the necessary signage (Texas Penal Code Section 30.06 [c][3][A] and 30.07 [c][3][A]. Placement of such signage will be posted during the period of the event by a contracted 3rd Party and remain in place until the end of the fully executed term shown in this License Agreement unless specifically requested to be removed.

AS A GOVERNMENT OWNED BUILDING, ALAMODOME STAFF IS NOT AUTHORIZED TO MAKE ANY DECISIONS ON WHETHER TO POST THE APPLICABLE SIGNAGE FOR ANY EVENT.

Security & Safety

The Alamodome is committed to providing a safe and secure environment for employees, performers, promoters and guests. The Alamodome offers the following security and safety services.

• Security Control room staffed 24 hours a day
• Roving security officers inside and outside the facility
• Medical personnel on standby
• First aid facilities throughout

Event Command Center

The Alamodome will have an Event Command Center in operation during your event. This command center serves as the central operational headquarters for all events. Representatives from Alamodome divisions as well as police and fire will be monitoring all activities and communications during the event.
Police Officers
Licensee is responsible for security in the form of Off-Duty San Antonio Police Department (SAPD) officers for all events including public events and events in which alcohol is served. The final number of officers is determined solely by the SAPD Off-Duty Employment Unit (ODEU) based on event requirements. No event staff, other than SAPD ODEU security, are allowed to physically intervene with anyone within the facilities. SAPD is the exclusive provider for security, including overnight security.

Peer Security
Supplemental security staff may only be obtained from the Alamodome's contracted event provider. Please contact your Event Coordinator for more information.

Event Screenings
Walk-through metal detectors and/or hand wands are used for the safety of all staff, guests, and performers for all events. In addition, bags will be searched prior to entering the facility.

Bomb Sweeps
Bombs sweeps may be arranged at the request of the promoter. Please contact your Event Coordinator for more details.
