FACILITY OVERVIEW

The Alamodome

Opened in 1993, the Alamodome has consistently cast its spotlights on an incredible range of entertainment and sporting events. The Alamodome is a versatile facility with over 160,000 square feet of flexible space, hosting an average of 150 events per year. The Alamodome is a city-owned and operated multipurpose facility located in the heart of downtown San Antonio.

About San Antonio...

Airport

Located in north central San Antonio, the San Antonio International Airport (SAT) is only 8.5 miles from the downtown business district - about a 15-minute drive - which is unusual for major metropolitan areas.

Public Transportation

Getting around San Antonio and downtown is a breeze with our wide selection of transportation options, including the VIVA by VIA service, River Taxi, Cabs, Uber, and Lyft.

Driving

FROM IH-35 SOUTH

Take US-90 East to New Braunfels Street exit, north on New Braunfels to Commerce Street, west on Commerce Street to Cherry Street, south on Cherry Street and into lots.

COMING FROM IH-10 EAST

Use Hackberry Street exit, north on Hackberry to Cesar Chavez Blvd., west on Cesar Chavez Blvd. to Cherry Street, North on Cherry Street and into lots.

COMING FROM IH-10 WEST

Use IH-35 north to New Braunfels Street exit, south on New Braunfels to Commerce Street, West on Commerce Street to Cherry Street, south on Cherry Street and into lots.

COMING FROM IH-37 SOUTH

Use Cesar Chavez Blvd. exit, east on Cesar Chavez Blvd. to Cherry Street, north on Cherry Street and into lots.

COMING FROM US 281 NORTH

Use Cesar Chavez Blvd. exit, east on Cesar Chavez Blvd. to Cherry Street, north on Cherry Street and into lots.

Hotels

With over 14,000 hotel rooms in downtown San Antonio there are endless lodging options within walking distance of the Alamodome. A Visit San Antonio representative can assist with all travel needs. See VisitSanAntonio.com for more information.

Recreation/Attractions

Home to the legendary Alamo and world-famous River Walk, San Antonio offers a wide range of exciting and unique activities. San Antonio has five theme parks, working ranches, rivers to float, and 300 days of sunshine perfect for golfing one of our 50 courses. In San Antonio there is something for everyone.

Dining

While San Antonio is famous for Tex-Mex, you'll also find traditional Mexican cuisine along with German, French, English and Italian eateries. The venues are just as varied as the types of cuisine they serve. From white tablecloth to savory food trucks to genuine steakhouses and BBQ joints, there's always something new and different to try.

Shopping

According to Forbes.com, San Antonio is one of America's top ten best cities to shop. With several malls and local shops displaying handmade items, you can take home both the culture of San Antonio and the latest fashion trends.

Hospitals

Multiple medical facilities are available within two miles of the Alamodome (Baptist Medical Center, The Children's Hospital of San Antonio), as well as a short six mile drive to a major medical complex of several hospitals with nationally recognized physicians and research facilities.

SAN ANTONIO DOWNTOWN AREA

For more information on hotels, restaurants, events and sightseeing tours, come by the Official Visitor Information Center at 317 Alamo Plaza or call toll free 800-447-3372. Located directly across from the Alamo. OPEN SEVEN DAYS A WEEK (CLOSED: New Year's Day, April 24th – Battle of Flowers Parade, September 30th, Thanksgiving Day and Christmas Day).

SAN ANTONIO

Press Box

Details

- Seating for 150 persons
- Located on the East 50-yard line Mezzanine level
- An additional room measuring 16'x41' is also available
- Four (4) Auxiliary Press areas can be created throughout the Mezzanine level, each seating approximately 30 persons.

Coaches/Broadcast Booths

Details

- 9 total booths available (A-I)
- Located directly above the Press Box on the East 50-yard line Club level
- Inner stairwell to Press Box for easy access

Suites

Our Club Level includes 52 private rooms, with seating for up to 12, 14, 15, or 16. Suites have been renovated to enhance the elegant design and provide the most up to date technology.

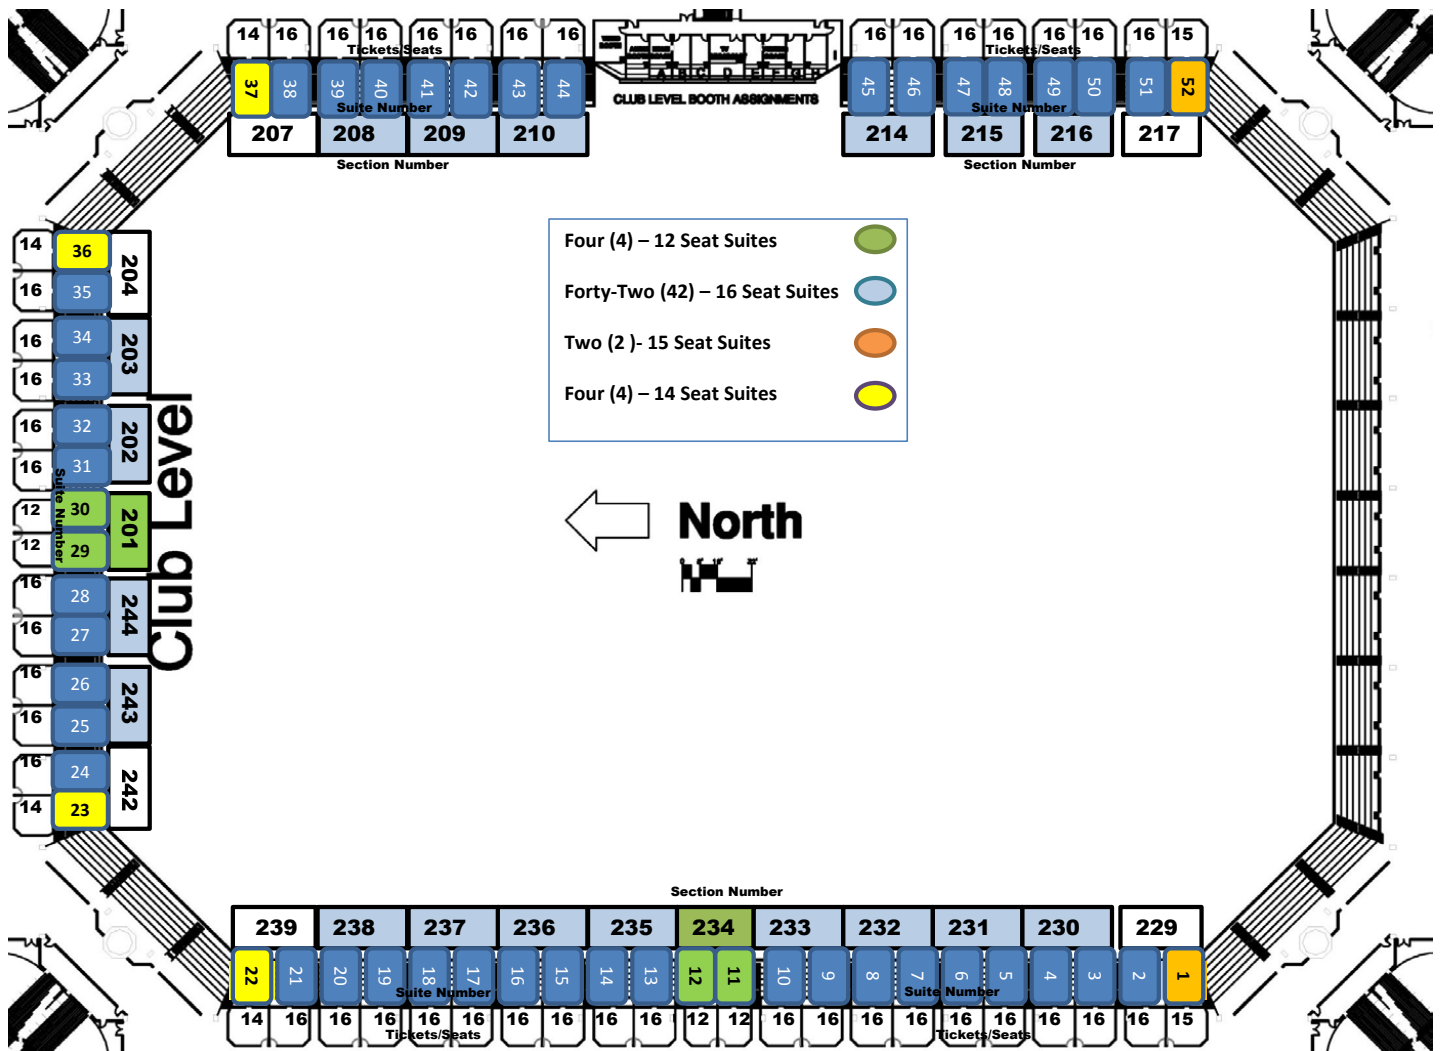

Suite Packages Include

- Parking
- Customized Menus
- Exclusive Catering Prices

Delicious food, refreshing beverages and outstanding service are only a few of the amenities that make your experience unforgettable. In a luxury suite at the Alamodome you will have the best seats for concerts and sporting events while leaving a lasting impression on your valued clients, employees, family and friends.

In addition to the private spaces, be sure to ask about our open air terrace suite space. Terrace suites overlook the Dome floor or field and can be personalized to accommodate 20-100 guests for an event or gathering.

For information on leasing an Alamodome suite, please email suitesales@alamodome.com.

Hospitality Spaces

Hall of Fame Club

Located on the North end of the Club Level, the Hall of Fame Club offers over 4,000 square feet with spectacular views of the HEB Plaza and downtown San Antonio, two built in bars, and large flat screen TV's to enjoy the event from a private location.

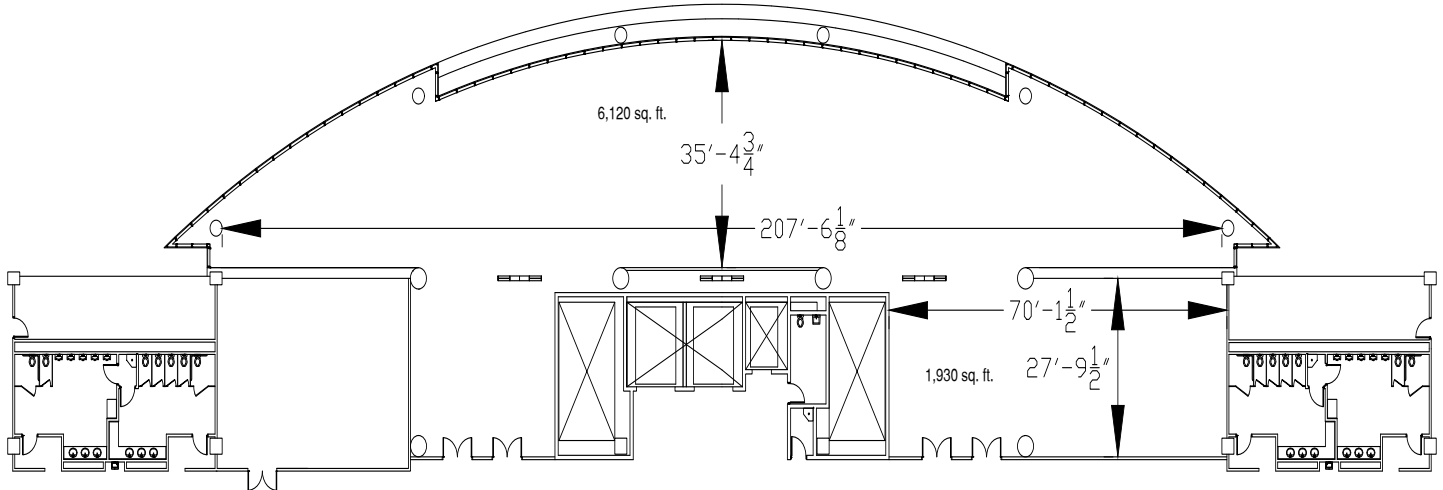

Top of the Dome Club

Located on the North end of the Upper Level, the Top of the Dome Club can function as its own private 3,500+ square foot space, or use the connecting staircase to the Hall of Fame Club to double the size of your party.

South Club Eyebrow

Located on the South end of the Club Level, over 6,000 square feet of flexible and completely customizable space without any built in fixtures is the perfect place to make the Alamodome your own.

Multi-purpose Room

This 23,000 square foot multi-purpose space is located on the North end of the field level. This brand new area features a separate loading dock, offering convenient access to Montana St.

Parking

At the Alamodome we understand that parking is an important concern for our event organizers and attendees, especially in a downtown setting. Our dedicated parking team has developed guidelines and procedures and will work with your Event Coordinator to plan and meet your transportation needs.

LOT	TOTAL SPACES	LOT SIZE SQ. FT.	ADA	BUS	LOCATION	RELATION TO BUILDING
A	748	334,683	127	12	Corner of East Cesar E. Chavez Blvd. and I-37 (U.S. Hwy. 281) Frontage Road	South
B	968	343,976	0	15	South Cherry Street	East
C	1,142	360,552	0	0	South Cherry Street	East
TOTAL	2,858		127	27		

Accessible Parking and Drop-Off

Accessible parking is located in Lot A, off of the Northbound IH-37 access road, between César E. Chávez Blvd. and Montana St. The Alamodome provides 127 accessible spaces that are available on a first come, first served basis for vehicles with a valid State issued placard (blue or red) or license plate. Accessible parking is subject to the event parking rates. Complimentary drop-off and pick-up for patrons with disabilities is available in Lot A, as well as an accessible ramp leading to the Plaza level.

Patron and Ride Share Drop-Off/Pick-Up Area

The drop-off and pick-up zone is available for quick access in Lot D located at Tower of the Americas Way (southbound I-37 access road) between Montana and César E. Chávez Blvd. Drop-off and pick-up at this location is the safest and quickest area for ride share, taxis, and limo access. There is a pedestrian walkway that leads directly from this location to the security checkpoint on the North Plaza of the Alamodome, Access Control Point (ACP A).

Ride Share Zone Address:

500 Tower of Americas Way

San Antonio, TX 78205

Bus Parking

Bus entry and parking is available in the North section of Lot B, on Cherry Street, and is most easily accessed by entering the parking lot from the North.

Overnight Parking

Overnight guest parking is not permitted in any of the Alamodome parking lots. Arrangements for production vehicles to stay overnight can be made through your Event Coordinator.

Traffic

The San Antonio Police Department's Traffic Division assists the Alamodome with traffic direction during many events. The amount of police coverage depends on the Alamodome event size and scope.

Loading Dock

Loading Dock Specifications

- The loading dock is located at the south end of the Alamodome, in Parking Lot A, and is accessible via the Northbound I-37/U.S. Route 281 Frontage Road.

- The loading dock features 4,200 square feet of space including eight truck bays with two direct access tunnels to the stadium.
- Loading Dock bays measure 17' 9" wide and 10' high. Bays are 82' deep.

Loading Dock Access

- Loading Dock access is restricted to Loading Dock permit holders. Loading Dock parking permits may be obtained through your Event Coordinator.
- Persons requesting Loading Dock access to load and/or drop off equipment must be approved by the client and communicated to the Event Coordinator. Approved guests will be permitted to park in the designated 15-Minute Loading Zone parking spaces or in loading dock bays, as applicable, based on availability.
- Alamodome tenants may park in the 15-Minute Loading Zone parking spaces at any time, provided space is available and timing does not impact event operations.
- Commercial carriers will also be granted access to the appropriate loading dock bays, as designated by Security, upon availability.

Event Day Load In/Load Out

- Licensee staff needing to load and/or unload in the Loading Dock area before the event is permitted to do so up to 2 hours prior to the start of the event. Licensee staff needing to load and/or unload after the end of the event may begin to do so 1 hour after the end of the event. There is no parking permitted in the loading dock area for these vehicles.

HEB North Plaza Vehicle Access

- Vehicle access to the HEB Plaza on the North side of the Alamodome can be obtained with prior approval from your Event Coordinator. Access to the HEB Plaza will be limited to vehicles being used in the setup, display, or break down of events taking place on the Plaza. All vehicles entering through the North Plaza must maintain a maximum weight of 250 lbs. per sq. ft. or less.
- Access to the HEB Plaza via Sunset Station is blocked by bollards owned by VIA Metropolitan Transit. Clients must obtain approval from VIA Metropolitan Transit for the entry of vehicles with a gross weight of 40k lbs. or more.
- If you must enter through Sunset Station, please provide your Event Coordinator with a schedule of the times you will require the bollards to be staffed, at least a week in advance of your event.

PRODUCTION

In this section, you will find information regarding AV specifications for the video walls and ribbon boards, equipment, personnel, event power locations, rigging, roof grid and catwalks, fire safety requirements, permitting and our labor rate card.

Rigging

The rigging of items weighing less than 250 lbs. can be performed by your general services contractor (decorator), or another qualified provider. The rigging of items that weigh over 250 lbs. must be reviewed and approved by a representative of the Alamodome's exclusive rigging company. A certified rigger must hang everything from the chain hoist/motor up to the ceiling.

Field Level - Restricted Areas

Fire Safety Requirements

Pyrotechnics

Licensee and all contractors must comply with the San Antonio Fire Department's Fire Regulations for Public Assembly Occupancies. A permit is required for the use of pyrotechnics during events. Please contact Jose A. Rios with SAFD by phone, (210) 207-3695, or by email at Joe.Rios@sanantonio.gov for permitting inquiries.

Automobiles

Personally-Owned Vehicles (POV's) may not be driven into the facility without permission from your Event Coordinator and may only be operated inside the building for loading and unloading of large equipment. Vehicles may be displayed with prior approval from the City of San Antonio Fire Marshal.

It is the responsibility of the Licensee to ensure that exhibitors are aware of these guidelines.

Floor Plans

The Alamodome and San Antonio Fire Marshals must approve all seating prior to on sale. The blocking of aisles, exits or corridors of any type is prohibited.

Electrical Wiring

Electrical cords will be grounded and UL listed. Extension cords may be used provided they are plugged directly into an outlet or an approved power strip and are rated for the intended power use.

Standby Inspector

If determined necessary by the San Antonio Fire Department, a standby fire marshal will be present during the event. Any costs for this additional requirement will be the responsibility of the promoter.

Indoor Structures and Enclosed Tenting

All Indoor enclosed structures are required to have operational smoke detectors and fire extinguishers. All structures are subject to approval by the fire marshal.

Permitting

The Development Services Department for the City of San Antonio has outlined the following process for permitting. Items possibly needing permitting include but are not limited to generators, tents and stages. Please contact the Development Services Department to ensure you complete proper permitting.

Jeremy Camarillo
Development Services Manager
(210) 207-0003
Jeremy.Camarillo@sanantonio.gov

The following items should be submitted to the above contact:

1. Temporary Use Application:

a. <https://docsonline.sanantonio.gov/FileUploads/DSD/TemporaryUsesApplication.pdf>

2. Please provide two hard copies of the site plan of the event

- a. Identify all tents
- b. Identify all stages/temporary event structures
- c. Identify location of generators

3. A city registered Texas Master Electrician will need to secure an electrical permit for the generators

a. https://docsonline.sanantonio.gov/FileUploads/DSD/DSD_Electrical_Application.pdf

4. Please provide total square footage, number of stories, occupant load, floor plan for

- a. All tents
- b. All stages/temporary event structures

5. Please confirm that a safety and traffic plan have been put into place

6. Please provide two hard copies of the Texas engineered drawings, specs, fire rating fabric certificate, and anchoring details for tents over 5,000 sq. ft. (two hard copies)

7. Please provide two hard copies of the Texas engineered drawings, specs, and bracing details for temporary event structures (Stages, scaffolding, rigging, platforms, and visual effect structures over 400 sq. ft.)

8. Inspections will include Building, Fire, and Electrical

- a. Building will require a third party inspection report in addition to CoSA building inspection for any items outlined in bullet points 5 & 6
